Washington 25, D.C.

Gentlemen:

We do not issue a catalogue at present. The demand for nut trees is so great, that it is imposiabile to supply the demand. However we are growing the following.

Hardy Northern grown Grafted Nut Trees.

✓ Persimmons, ✓ Black Walnuts, ✓ Carpathian Walnuts, ✓ Chinquapins,  
✓ Pecans, ✓ Hicans, ✓ Hazels, ✓ Filberts, ✓ Heartnuts, ✓ Butternuts, ✓ Chinese  
Chestnuts, ✓ Hickories. ✓ paw-paws.

For the present we have pecans, Hicans, and Chinese Chestnut trees for spring deliveries. In fall we usually have a full supply of the list I have given above and have them in several of the best varieties of each.

Yours truly,

*Louis Gerardi*
